MULTI-GAME TOURNAMENT

SYNKROS On-Demand Tournaments allow the patrons to choose their favorite game theme to play.

TRUE-TIME WINDOWING

True-Time Windowing enabled EGM screen shows the True-Time Tournament theme patron selection screen.

True-Time Tournaments™ is a revolutionary SYNKROS® delivered tournament product that consists of a Tournament Director module to manage the operational functions of a tournament as well as a module that brings entertaining tournament games directly to the player. Depending on marketing strategy and goals, True-Time Tournaments offers two ways of delivering system-based tournaments to players: synchronized start time tournaments using SYNKstart™ and player On-Demand tournaments.

MULTIPLE TRUE-TIME TOURNAMENT GAME THEMES ALLOW OPERATORS THE ABILITY TO KEEP THE THEMES FRESH AND KEEP PLAYERS EXCITED TO PARTICIPATE.

*Expanded game hardware compatibility available with SYNKROS v4.0.10

TECHNICAL SPECIFICATIONS

CONFIGURATION

- ▶ Tournament Type defines the tournament as On-Demand or SYNKstart synchronized. On-Demand Tournaments are player initiated, while SYNKstart Tournaments can only be initiated by an employee, via SYNKROS® Tournament Director.
- ▶ Games marked as active will only be available for play during specified start and end times, but leader boards will remain visible on all signs until inactivated.
- ▶ Game lengths can range from 1 to 30 minutes long. Longer games mean higher scores!
- ▶ Invitations can be stopped at a predetermined time before the end of the tournament, to ensure that patrons are not playing at the time the winners are announced.
- ▶ Tournaments entries can be awarded as incentive bonuses by selecting the Tournament option in the Incentive Maintenance form.

TOURNAMENT DIRECTOR

- ▶ From the True-Time Tournament™ Director, users can see current patron scores and rankings as well as the number of entries yet to be played.
- ▶ The running tournament statistics are updated at configurable intervals or can be 'refreshed' manually to view near real-time results.
- ▶ Patrons currently playing are listed, while the built in search feature allows users to sort rankings and the player list.
- ▶ The Tournament Director also allows employees to control SYNKstart Tournaments with the ability to put machines in standby mode, start rounds, and advance rounds and heats.
- ▶ Additionally, employees can issue manual tournament invites to any patron with a player's club account.
