CLASS II

THE LEGACY HAS EXPANDED

For more than a quarter century, Konami Gaming, Inc. has delivered world-class casino games designed to thrill and engage players. Konami's rich legacy in consumer entertainment, combined with a commitment to quality, creativity, and compliance, have firmly established it as one of the industry's leading global developers. In 400+ regulated jurisdictions across 6 continents, casino players love and recognize Konami games.

Decades of legendary casino fun is now hitting more casinos than ever before! Player-favorite faces from China Shores™ to Mayan Chief™—plus global hits from Dragon's Law Fortune™ to All Aboard™—are arriving at Class II casinos. Konami games have the advantage of global popularity, unmatched enjoyment, and enduring notoriety. Casino destinations with bingo-style EGMs are tapping into Konami's library to give their guests the highest tier of entertainment variety. The legacy lives on—broader, bigger, and built to perform.

PROVEN HARDWARE

Casinos worldwide come to Konami with confidence for attractive and reliable game hardware that stands the test of time. Sleek and panoramic. Flexible and comfortable. Konami hardware has beauty and brains in each fabulous facet, and showcases game entertainment to its ultimate expression. Details are devoted to player comfort, with drink holders, handbag hooks, device chargers, and space to spread out.

In sum, these machines are made to grab attention—and keep it.

DIMENSION 49J™

Standard portrait cabinet

Konami's award-winning DIMENSION 49J™ boasts a stunning J-curve display atop a standard base width. Through a bingo button in the upper left corner of the digital button panel, players can select to view or hide the Bingo Card—serving as the only visible difference to the corresponding Class III experience. Epic, cinematic titles sing in 4K UHD on this eye-catching machine. Immersive sound soars. And popular play mechanics amplify anticipation.

KEY FEATURES

- Digital button deck with Hide/Show Bingo button for the bingo card
- 49-inch 4K ultra-high definition (UHD) portrait display with "J" curve
- 27-inch topper
- Dual classic bash buttons
- USB port and wireless charging pad
- Handbag hook
- Multi-color lighting effects

DIMENSION 75C™

Large-format cabinet

Built for big impact, DIMENSION 75C™ curves higher and wider with a massive 75-inch display, rounded from top to bottom. The machine's oversized digital button dash shows progressive values for a growing sense of excitement, while the bingo card defaults to the closed position. This Konami creation easily accommodates players and pairs, with plenty of room for drinks and personal accessories. Expect this jaw-dropping jumbo screen to pop from across the room!

KEY FEATURES

- Extra-large, digital button deck features progressive values, with Hide/Show Bingo button for the bingo card that defaults to Hide Bingo
- 75-inch 4K UHD portrait display with "C" curve
- Big, dual bash buttons
- Dual wireless charging pads
- USB port
- Handbag hook
- Multi-color lighting effects
