ELEGANCE TAKES SHAPE

Like its sibling, DIMENSION 49, DIMENSION 49J boasts that big, beautiful portrait screen—with one sleek difference. The J-curve display is a graceful invitation to draw the eye and maximize excitement.

As Konami's latest large-format cabinet, DIMENSION 75C™ curves higher and wider with a massive 75-inch display, rounded from top to bottom.

Epic, cinematic titles sing in 4K UHD on these premium machines. Immersive sound soars. And popular play mechanics amplify anticipation.

Symbol-driven excitement is just around the track with Konami's popular All Aboard™ linked progressive series—ranked Top 25 Grossing Parent Games – Premium Leased & WAP for over 2 years by Eilers & Krejcik Gaming, LLC and Fantini Research. Six or more train symbols trigger a Stay & Spin™ feature, taking players on a journey to ample rewards and action-packed bonuses.

KEY FEATURES

- Integrated linked progressive
- Level linked progressive
- 4-Level non-incrementing jackpots
- Stay & Spin™
- All Aboard multi-game edition available exclusively on DIMENSION 75C

TITLES AVAILABLE

CHINA SHORES PAGODA

MAYAN CHIEF PYRAMID

Fans of Konami's China Shores™ can take the iconic panda-themed game to untold heights with China Shores Pagoda™ on the DIMENSION 75C. In keeping to the popular classic, trigger Yin-yang symbols appear throughout game play, awarding huge potential free spins across up to 24 reel frames in the machine's extra-large screen. Mayan Chief Pyramid™ is a compatible complement to China Shores Pagoda—both games sharing multi-denom options, bonus jackpots that scale to denomination, a 1-level standalone progressive, and a 1-level linked progressive with \$5,000, \$10,000, and \$20,000 reset options.

KEY FEATURES

- Available exclusively on DIMENSION 75C
- Integrated linked progressive
- 1-Level linked progressive
- 1-Level standalone progressive
- Free Spin Feature

FORTUNE MINT TRINITY™

Fortune Mint Trinity™ takes the fun of Konami's popular Fortune Mint™ and adds even greater multiplier win potential through a trio of playable reel windows. Throughout game play, Trigger symbols marked with "Trinity" and "Double" appear across reel 1. Anytime the player hits "Trinity" or "Double" on reel 1, a corresponding number of reel windows suddenly pop into the upper part of the screen, to continue the same spin with 3 unique outcomes. The more reel windows, the greater the win potential!

KEY FEATURES

LIAN LIAN FA 連連發™

Lian Lian Fa™ is a premium linked progressive series featuring the triple bonus mechanic popularized in Konami's Dragon's Law Fortune™. Three unique bonus features await, all of which can also be awarded in combination for even great win potential! A playful monkey is the hero character of Lian Lian Fa, finding, collecting, and sharing lucky wild Peach symbols randomly throughout game play.

KEY FEATURES

- Integrated linked progressive
- 1-Level linked progressive
- 1-Level standalone progressive
- Triple bonus mechanic

TITLES AVAILABLE

Available as an exclusive multi-game pack on DIMENSION 75C, this popular linked progressive series offers a variety of wheel spin opportunities, for maximum excitement and attraction. Throughout primary play, bubbles of potential bonus opportunities float across the screen. Three or more trigger symbols, and the player is invited to spin the bonus prize bubbles for the chance at different bonus awards or an instant progressive jackpot. This Ocean Spin™ multi-game pack includes four exciting base games on one, extra-large game machine.

KEY FEATURES

- Integrated linked progressive
