MYSTICAL PEARL™

Linked Progressive
Game Series

Shiny. Coveted. And an instant classic.

There's a new jewel in the Konami crown. Mystical Pearl™ is ready to impress, created especially (and exclusively) for the stacked DIMENSION 27™. Richly imagined with inviting art, scintillating characters, and a wealth of jackpot potential, it's a deep dive into undersea action to land the big one—the GRAND linked progressive.

MYSTICAL PEARL™

Made for extended voyages.

Once players set out for adventure, expect them to stick around. After all, we've programmed allure into every feature. Our Mermaid and Neptune characters beckon with outstretched arms and promises of treasure. They flit and flash across the reels, dropping pearls and increasing the chances of thrilling bonuses. And your more-intrepid core players will find that higher bets net wondrous rewards.

BET CONFIGURATION

1¢, 2¢, 5¢, 10¢, 25¢, 50¢, and \$1

MYSTERY FEATURE

Throughout primary game and free play, the hero character can randomly deliver additional Pearl symbols to the reels, increasing the odds of triggering the Stay & Spin Feature.

STAY & SPIN FEATURE

Come on in—the winning's fine! When any six or more special Pearl symbols land, each of the reel positions becomes an independent spinning reel. Three spins start the feature, resetting to three each time an additional Pearl prize is collected. Players can haul in:

- Credit Prizes, in random amounts according to the selected bet level
- Minor or Mini Bonuses, fixed amounts that scale according to the selected denomination
- The Major Jackpot, a standalone progressive scaled according to the game's lowest configured denomination
- The GRAND Jackpot, awarded when all 15 reel positions are filled with Pearl prizes, and also scaled according to the game's lowest configured denomination

FREE GAME FEATURE

Players can win free games with any three or more scatter symbols, and enjoy additional re-trigger opportunities during the free games.

Base Games

Mystical Pearl offers two base games as compatible complements. These beauties are a big fish in every pond.

She's a Siren, calling players to the treasure hunt. Through a cool, flowing ocean of rich blues and greens, accompanied by friendly sea creatures, she bestows her own unique free game. Mystical Pearl Mermaid features 2x pays for stacked Wild symbols in the free games.

Like his sister, Neptune surfs the currents through a brilliant undersea world and has a free game with increasing reward opportunities. During the free games, the king of the ocean bestows doubled wins for stacked Wild symbols.

Dimensions & Specs

The wait is over. Your ship has come in. Mystical Pearl™ is available for sale, only on DIMENSION 27™.
